THE LOUISVILLE WAY.
This is a world of strife and sin.
Although each voter does his best.
We put our little ballot in;
The man who counts 'em does the rest.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Mrs. Pauline Schwartz is very ill at her home in West Third street.

Mr. Robert K. Allison has accepted a position with the National Cash Register at Dayton, O.

George Linkin, who was in the shoe business in Mt. Sterling for many years and recently died there, told a man on his deathbed that his name was Patrick McMurray, and that in his youth, twenty-five years ago, he had killed in Detroit a man who had betrayed his (McMurray's) fiancée.

Mr. J. C. Pecor, the Second Street Druggist, is about through with his fall house cleaning at his place of business, and there is such a pleasing change in the surroundings you will hardly recognize it as the same place. Good taste in the general arrangement, added to the artistic work of the painter and paper hanger, has wrought wonders.

Our stock of Mounted Diamonds is the largest in the city, comprising the very latest mountings. See our new Cluster Rings; nothing ever seen here like them; have the effect of a large solitaire. Our combination rings are new and beautiful—diamonds with ruby, emerald, sapphire, pearl and opals, all the latest combinations. We are leaders in diamond goods.
P. J. MURPHY, the Jeweler.

WILL CONTEST SEAT

Judge Cole of Greenup Will Ask Legislature to Decide Case

Having been denied an injunction to compel the Election Board to give him the certificate, Judge William T. Cole, candidate for Representative from Greenup county, will take his claim to the Legislature.

The official count shows that Cole, Democrat, received 1,233 votes; Charles W. G. Hannah, 1,285; and B. F. Bennett, 86 votes.

The certificate of election was given to Hannah, but Cole contends that a recount would show his election by four votes, and he will now take the matter to the Legislature.

Colonel B. F. Bennett will also contest the election of Hannah on the ground of fraud, making a unique proceeding of two men contesting for the same office.

DRANK CARBOLIC ACID

Suicide of a Former Maysville Man at Urbana, O.

Friday Major Thomas J. Chenoweth received in his mail a letter dated Urbana, O., from J. W. Amptrester, Coroner of Champaign county, containing a photograph of a dead man lying in a coffin.

The letter went on to say that he had committed suicide at that place by drinking carbolic acid, and that the label on the bottle contained the name of T. J. Chenoweth, Druggist, Maysville, Ky.

The dead man is described as being about 65 years old, five feet ten inches, gray hair and mustache, and fairly well dressed.

Quite a number here who have seen the picture recognize the features as those of A. G. Beechman, who for several years was employed as a harness maker at George Schroeder's Factory in Sutton street.

Beechman was in the city some three or four weeks ago taking orders for a Cincinnati wine house. He is said to have been of a morose temperament, and not of a sociable disposition.

Mr. Schroeder received a letter last week from his wife, importuning him to take him back, saying she was fearful something dreadful would happen.

Taken altogether it is more than likely that the remains are those of A. G. Beechman.

SUDDENLY CALLED

Henry H. Henney Dropped Dead Yesterday at South Ripley

Mr. Henry H. Henney of Aberdeen dropped dead yesterday morning in the Depot at South Ripley while waiting for the 9:55 o'clock C. and O. Eastbound train to take passage for this city.

The deceased and his wife were returning from Georgetown, O., where they had been attending to some legal business for their grandson.

When death overtook him he was conversing with Miss Oma Chambers, who has charge of a school near Ewing, but on account of an epidemic in that neighborhood, is visiting at her home in Ohio.

He had just remarked to Miss Chambers that he was not feeling well, when he was stricken and died instantly.

The body, accompanied by the grief-stricken wife, was brought to this city and transferred to his late home in Aberdeen.

Mr. Henney was born in Pennsylvania and would have been 65 years old had he lived until January 13th, 1906.

He lived for 40 years at North Liberty, O., where he ran a blacksmith shop and conducted a hotel.

Having retired from business, he and his family took up their residence in Aberdeen two years ago.

He was a Veteran of the Civil War, having served in the Tenth Kentucky Cavalry.

Besides a wife he leaves three children.

He was highly respected and a Christian gentleman.

He will be buried at Cherry Fork, O.

Rabbits are not as plentiful as hairs on a dog's back this season.

MORRISSEY'S IRELAND.

Morrissey's \$5,000 moving scenic production of Ireland combined with the Hibernian Troubadours and select vaudeville will be at the Washington Opera-house tonight. The entertainment may be said to be in a class by itself, presenting a great moving tableau of Erin, illustrating with astounding realistic effect a tour throughout the Emerald Isle.

The viva voce system of voting tells on a fellow. At least two of the successful candidates for members of the Board of Education voted for themselves.

SINCE Cincinnati so unexpectedly went Democratic, the dust has been brushed off the Duckworth Club, which has been reposing in the lumber room for a number of years, and that formerly powerful and prominent political organization once more gets its name in the papers.

IRANACROSS an advertisement in an agricultural paper a few days ago. It told about a "cream separator" that literally yanked every bit of cream out of the milk, saving it to the cow owner. Judging from the character of the milk furnished by my dairyman, the machine is a splendid success.

THE rivalry between Louisville and Lexington is even carried into politics. The Louisville Post says there are no returns at all from Twenty-five Precincts where votes were cast during the recent election, and The Lexington Leader says that the registration in one Precinct in that city showed 260 Democrats, 153 Republicans and 15 Independents, while the official returns show that the Democrats got 372 votes, the Republicans 51 and the Independents none. The old saw that "figures don't lie" is hardly applicable to figures set down by Democratic election officers.

Real Estate

TRANSFERS!

The prosperity of a city is usually determined by an investigation of its commercial transactions, its manufactured product and the real estate transfers. The merchants of Maysville are rejoicing on account of increased trade and the manufacturers have been running their full capacity in order to meet the demands for the articles which they produce. The records at the Clerk's office will show that the past year has been one of great activity in the number of sales recorded and the money changing hands by reason of these sales. Also a great number of farms have changed hands at good prices. Maysville and Mason county are certainly to be congratulated upon this evidence of renewed prosperity. These sales and transfers are largely brought about by reason of active agitation of the Real Estate business through newspapers and other agencies employed for the purpose of awakening an interest in such transactions. From these facts you will see that a live Real Estate Agency is an important factor in the development of any community. Assuming that you will admit the facts stated above, I do not feel that I am asking too much when I request the people of Maysville and Mason county to assist me in every possible way in the listing of property and finding purchasers for same. My office is now, and shall continue to be, a Real Estate Exchange, where information can be obtained with reference to any piece of property for sale in Maysville, Mason county, or in fact any of the adjacent counties. You will therefore confer a favor by giving me such information as will lead to the listing of properties which are for sale and the selling of those which are so listed. While you are helping me you will be helping the entire community in which you live. Trusting that a large increase in the real estate transfers may be the result of our united efforts, I remain yours very truly,

JOHN DULEY,
Real Estate Dealer, MAYSVILLE, KY.

THE retirement of Hon. ARTHUR F. CURRAN from Kentucky journalism, and the cessation of The Dover Public Messenger, will be a distinct loss to the Press Gang. For nearly nine years The Messenger has been a welcome weekly visitor to hundreds of homes, filled with choice and clean local news, and it will be missed. In retiring, Mr. CURRAN carries with him the best wishes of THE LEDGER for his future success, whatever field he may choose; and to his successors, Messrs. Stairs & Anderson, who have bought the plant and will consolidate it with the present Dover News, there's naught but good wishes.

THE Paris people have shown proper business and financial sense. Note this from The Bourbon News—

"The rebuilding of Main street under the supervision of Mr. SAM R. MURRAY, the expert sent here by the National Bitumen Company of Indianapolis to do this work, was completed Saturday, and we do not believe there is another such street in Kentucky. Mr. MURRAY has given us a street that every citizen of our city is proud of. It is an ornament to our city, and we predict entire satisfaction in its wearing qualities."

That's it. When you want a pair of shoes, don't select a carpenter to make them. The people of Paris, like the people of Maysville, have frittered away thousands of dollars yearly by employing unskilled men to make so-called streets, only to find at last that the only sure way to get sure-enough streets is to employ a man whose business is to build streets.

What has Maysville to show today for the \$150,000 that has been expended on her streets in the past thirty years?

INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Backache, "The Blues"

Both Symptoms of Organic Derangement in Women—Thousands of Sufferers Find Relief.

Mrs. J. G. Holmes Emma Cotrelly

How often do we hear women say: "It seems as though my back would break," or "Don't speak to me, I am all out of sorts?" These significant remarks prove that the system requires attention.

Backache and "the blues" are direct symptoms of an inward trouble which will sooner or later declare itself. It may be caused by diseased kidneys or some uterine derangement. Nature requires assistance and at once, and Lydia E. Pinkham's Vegetable Compound instantly asserts its curative powers in all those peculiar ailments of women. It has been the standby of intelligent American women for twenty years, and the ablest specialists agree that it is the most universally successful remedy for woman's ills known to medicine.

The following letters from Mrs. Holmes and Mrs. Cotrelly are among the many thousands which Mrs. Pinkham has received this year from those whom she has relieved.

Surely such testimony is convincing. Mrs. J. G. Holmes, of Larimore, North Dakota, writes:

Dear Mrs. Pinkham:—

"I have suffered everything with backache and womb trouble—I let the trouble run on until my system was in such a condition that I was unable to be about, and then it was I commenced to use Lydia E. Pinkham's Vegetable Compound. If I had only known how much suffering I would have saved, I should have taken it months sooner—for a few weeks' treatment made me well and strong. My backaches and headaches are all gone and I suffer no pain at my menstrual periods, whereas before I took Lydia E. Pinkham's Vegetable Compound I suffered intense pain."

Mrs. Emma Cotrelly, 109 East 13th Street, New York City, writes:

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

Dear Mrs. Pinkham:—

"I feel it my duty to tell all suffering women of the relief I have found in Lydia E. Pinkham's Vegetable Compound. When I commenced taking the Compound I suffered everything with backaches, headaches, menstrual and ovarian troubles. I am completely cured and enjoy the best of health, and I owe it all to you."

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all gone" and "want-to-be-left-alone" feelings, blues and hopelessness, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any substitute.

FREE ADVICE TO WOMEN.

Remember, every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Mrs. Pinkham's address is Lynn, Mass., her advice is free and cheerfully given to every ailing woman who asks for it. Her advice and medicine have restored to health more than one hundred thousand women.

Druggist John C. Pecor Tells the People Quickest Means to Cure It.

Asked one day in his store the question, "What is good for bronchitis?" Mr. Pecor, our well known druggist, answered, "For years old fashioned cod liver oil has been known to possess the most remarkable curative and healing properties for throat, bronchial and lung troubles of anything known to medicine, but on account of the grease which enveloped its curative principles, it has been impossible for many people to take enough of it into their systems to combat a thoroughly settled disease without clogging the system and upsetting the stomach."

"Now, however," continued Mr. Pecor, "we have Vinol, which contains in a highly concentrated form all of the medicinal curative elements of cod liver oil actually taken from fresh cods' livers without a drop of oil or grease to upset the stomach and retard its work, and physicians agree that it is the greatest cure for all throat, bronchial and lung troubles known to medicine."

"Miss Anna Ray writes us that after suffering for five years with bronchitis, and trying all kinds of medicines without relief, Vinol cured her, and we have hundreds of just such letters."

"We wish every person suffering from chronic colds, coughs, bronchitis, and every aged, weak, or convalescent person who needs a healing, strength-creating and blood-making tonic would try Vinol on our guarantee to return the purchase money if it fails." JOHN C. PECOR, Druggist.

CAUGHT THE FELLOW

Capture of Colored Man Charged With a Serious Offense

Saturday night Henry Taylor, aged between 40 and 50, a colored brute, was frustrated while in the act of committing a rape on the six-year-old daughter of Belle Carr, colored, who lives in Cherry alley in the rear of the Kentucky Hotel. Taylor made his escape from the house and was making his way for the country when overtaken and captured by Dudley Allen, Sam Lindsey, Oscar Carr and Fred Payne, colored, who started in pursuit on hearing of the dastardly attempt.

He was brought back to this city and turned over to Officer Wallace who placed him in Jail. He will have an examining trial today before Judge Whitaker.

HIGHEST PRAISE.

Some Maysville Citizens Grow Enthusiastic on the Subject.

The praise of the public is merit's just reward. Nothing in modern times has received the praise accorded "The Little Conqueror."

Of some kinds of praise we are skeptical. We doubt the praise of strangers. The highest praise for Maysville public is hearty expression from Maysville people. Doan's Kidney Pills are indorsed in Maysville. No better proof of merit can be had. Here's a case of it. We have plenty more like it.

James D. Tolle, clerk at Wood Bros. meat market, and living at 117 Short street, Maysville, Ky., says—

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

Plenty more proof like this from Maysville people. Call at J. James Wood & Son's Drugstore and ask what their customers report. For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

GOOD CONGREGATIONS.

The meetings at the First Baptist Church were well attended yesterday. The coming of such a number each day this week, with a desire to help and be helped, would mean a great blessing to all. This is possible if all who came yesterday will make a little sacrifice of time and their own pleasure. Others who had duties in their own regular places of worship can assist this week by prayer and presence, as some did last week. Meetings daily, with preaching by Pastor-Evangelist Clark of Paris, at 2:30 and 7 p. m. Come.

If you are troubled with dizzy spells, headache, indigestion, constipation, Hollister's Rocky Mountain Tea will make you well and keep you well. If it fails get your money back; that's fair. 35 cents. J. J. Wood & Son.

MUST STAND BY THE PRESIDENT

CINCINNATI TIMES-STAR.

Republicans who are restive under President Roosevelt's anti-trust activities and his railroad rate program, should take a long look ahead, and think how easy it might be, by disregarding popular demands, to build up a Hearst party, from one end of the country to the other. No one could follow the returns last night, comparing them with those of a year ago, without realizing that the Roosevelt vote was an altogether different thing from the Republican vote, so greatly did his personal strength exceed that of the party.—"Lincoln" in The Boston Transcript.

The declarations of so competent an observer of political events must be given heed. "It is hard to exaggerate from the National point of view," continues Lincoln, "Mr. Hearst's accomplishment in polling 225,000 votes in New York City. He had no party, no historic organization to which votes went from habit or family traditions. Every individual had to be won, as much as for Jerome, in his peculiar fight. The proportions of his vote reveal the material latent in this country for a great anti-capitalistic uprising of some sort, whenever properly offered and led. The extraordinary prosperity which the country is now enjoying does not allay social unrest caused by the insurance revelations of the last summer, and the notion, now widely disseminated through the voting masses, that the ordinary agencies of politics are in alliance with the great combinations of wealth. This is responsible for Hearst's popular hold. It will aid every radical from this time forth. Tom Johnson's sweeping victory in Cleveland, and Bandmaster Schmitz's in San Francisco point in the same direction."

It is inconceivable that either the personality or the principles of Hearst has won even a tithe of the vote which he secured. The vote for such a man and one of such principles is distinctively a vote of protest—the recording by the people of their disapproval of conditions, varied as well as general, and isolated in their character and perhaps but crudely comprehended. The only danger in such unrest lies in the fact that, having no other form in which to express itself, it should accrue to the benefit of such a character and of such politics.

The readjustment of conditions properly and effectively can alone come through the Repub-

lican party, the only party fit to govern. Conditions must be readjusted, not radically, not by visionaries, not by fanaticism, but by clear-headed, level-thinking, practical men, men who can adjust government and society in accordance with things as they are, and who are not wrapped up in constructing a society for ideal people out of their own grey matter, men who recognize that the ideal can only be found in the real.

The political thought of the day is in a fluid state; it needs but some sharp blow to crystallize it. It must not be precipitated upon the odious lunacies of Hearstism and Johnsonism. Fortunately for Republicanism and the country, the prevention of this disaster is possible. There is one man who "stands as the shadow of a great rock in a weary land." More than ever it is imperative that Republicans stand by the President; more than ever it is necessary that Republicans follow the safe, sane and conservative guideposts he has planted. Democracy in the shape of Hearstism and Johnsonism can be met in but one way—and that is the way Theodore Roosevelt has marked.

During a driving snowstorm a German torpedo boat collided with a cruiser, sank and carried down 33 of her crew.
